

### **3M Twist & Fill Chemicals – Daily-Use**

- **3M 1L – Glass Cleaner**  
For window / glass cleaning. Use in a **labeled** spray bottle.
  
- **3M 2L – Heavy Duty Multi-Surface Cleaner**  
2L is a degreaser. Use to remove marks on desks, chairs, lockers, whiteboards, etc. Not for use on finished floors, it will remove the finish. Can be used in a **labeled** spray bottle or bucket.
  
- **3M 3H – Neutral Floor Cleaner**  
Use to clean resilient floors (VCT, terrazzo, ceramic, finished wood) in classrooms, hallways and Kitchens. This is a high flow chemical to be used in a bucket with mops or with an auto scrubber.
  
- **3M 8L – General Purpose Cleaner**  
General purpose cleaner formulated to clean floors, walls and most other non-porous surfaces. Can be used in a **labeled** spray bottle or bucket.
  
- **3M 25H – Quat Disinfectant**  
Cleaner, disinfectant and deodorizer – use on bathroom floors, sinks, toilets as well as desks and other hard non porous surfaces. Use in a **labeled** spray bottle or Johnny mop bucket for bathrooms.
  
- **3M 27H – Extraction Cleaner**  
This is used specifically for carpet cleaner in conjunction with a carpet extractor machine.

## Other Daily-Use Cleaning Chemicals / Description

- **Stainless Steel Cleaner**  
Used on trash cans, kick plates etc. Comes in an aerosol can. To avoid over spray please spray on a rag over a trash can.
  
- **Furniture Polish**  
For cleaning and polishing wood surfaces. Use for wood furniture, wood doors, paneling, cabinets and molding.
  
- **Graffiti Remover**  
Used to remove graffiti (markers, pens, paint) on non-porous surfaces. This will likely remove paint, only use after testing small area.
  
- **Liquid Enzyme**  
For use in urinals, toilet bowls and drains - digests and liquefies organic waste, grease, and food-by-products while eliminating odors.
  
- **Chewing Gum Remover**  
Use to remove chewing gum, candle wax, putty and other gummy substances from surfaces. AREAS OF USE: Use with or without the extender tube on furniture, carpet, draperies, floors, clothing and upholstery. **Note:** This product freezes the substance so you can crack it off fast. Care should be exercised when using this product as frostbite may occur if sprayed on the skin.

## Other Cleaning Chemicals / Description

- **Hillyard CSP Cleaner**

**Not a daily use chemical.** Acid-based cleaner used to remove hard water spots, soap film, rust and oily residue from bathroom fixtures. Cleans ceramic, stainless steel and porcelain.

- **Hillyard Super Shine-All**

Used for cleaning resilient tile, asphalt tile, vinyl floors, synthetic floors, terrazzo, quarry tile, paver brick, natural stone and coated wood floors. Protective sheen helps preserve and protect. Can be used either by damp mopping or auto scrubbing.

## Other Disinfectants
